

Looking to Host a Dinner & Discussion in your City?

To have Peace guide you with her resources and experience, we ask that you sponsor one Set The Table–hosted Dinner & Discussion gathering in your community where Peace will co-facilitate alongside you. The total cost is typically \$500–\$1,500 (location-dependent). If cost is a challenge, you’re not alone — but there are creative ways to make it happen.

- Hosts may partner with local churches or organizations who share their heart for connection and are happy to help sponsor the evening.
- Alternatively, hosts may invite a few community members to contribute as a shared investment in connection and understanding.
